

The Clique

Author: Lisi Harrison

Published: Little, Brown, and Co., c2004

Age: for girls 12+

Summary: Massie Block rules her private school, Octavian Country Day. She has a group of exclusive friends that she calls the Clique. There's Dylan, the redhead, Kristen, the athletic one with very strict parents, and Alicia, the exotic Spanish one. And then along comes Claire. She and her family are moving into the Block's estate's guest house. However, she doesn't have the rich and comfortable life that Massie has. The girls must learn how to live with each other—literally. This story is about how friends can come in all different packages and how to accept people as they are.
