

Tiger

Author: Jeff Stone

Published: Random House, c2005

Age: 7+

Summary: This is the first book in an action-packed series. Five young Chinese monks have their temple burned down by a former temple brother. Suddenly, their whole lives are turned upside down. All they have to turn to is their heritage, kung fu training, and the hope that they will see each other again. Fu, or "Tiger", is the youngest brother. He befriends a tiger cub after rescuing it from certain death, but makes dangerous enemies along the way. This whole series will have you reading into the night and cheering for the monks every step of the way.
